

Starting on Tuesday September 12 at 12:15
First Trinity is offering "Alpha @ Lunch".
"Alpha @ Lunch" is a fifteen week course that
outlines the fundamentals of Christianity
to people whose busy lives do not allow time
for an evening course in the traditional church
setting. This informal and informational class
will help you answer questions of the heart
and of the Christian faith. Please bring your
lunch to this informative and inspiring class
that will meet over the Tuesday lunch
hour. You will be amazed to see how quickly
the office barriers are broken and the bonds of
caring are formed. Rev. Tom Knoll, Pastor of
First Trinity will be your host.

*" I am glad that I had attended the
Alpha course. It definitely made me
understand more about the meaning of life
that I need to seek. Now I have found the way
and more excitingly, I have learnt the
importance of our relationship with our parents
and our relationship with God who made us.
Christianity is more about relationships rather
than rules and is about people rather than
philosophy, most of all it is about God who
loves us."* **Eddie Johns**
